Membership Meeting

By BVBC Board

The 2024 Bay View Bicycle Club Annual Season End Banquet and Member Meeting will be held on Thursday November 7, 2024, at Wheel & Sprocket in Bay View, 187 E Becher St Suite A, Milwaukee, WI 53207. W&S will be serving beer, wine, cocktails, and soft drinks before and during the party. We will begin at 6pm with cocktail hour, when you can also enjoy touring the store, which will be open until 7pm, and then get the food and program underway at 7pm. We will be serving Mexican food this year. BVBC's typical characters will be out, including Andy Sikorski, the Energizer Bunny, Ron Santoro, and fan favorite, Twisted Monkey. Paid Bay View Bicycle Club Members are welcome and encouraged to attend. Non-members can sign up and pay their dues the night of the event. RSVP using the link below, by Sun 11/3/2024, by 6pm.

WhatsApp Communication Tool

BVBC has used the club Facebook (FB) page as a method to communicate to membership, particularly late breaking details on ride days, such as inclement weather that may be impacting that day's ride. Some members have been resistant to using FB, as it is a social media site/app that may have some unintended/undesired consequences. The BVBC board would like to suggest an alternative to FB. The BVBC board would like to trial a secure, reliable, private, simple messaging tool to only current club membership. You, the current membership, can be part of the solution!

The board is inviting members to add the app to your phone, to access the Bay View Bicycle Club private WhatsApp Channel. The Thursday message for the coming weekend's ride would be published in the app, as well as any late-breaking

developments on the ride day. The message would go to all BVBC members that add the app to their phone and accept the invitation to join the BVBC Community on WhatsApp.

Trouble experienced on the route could be communicated to the entire club, particularly those riding the route and even more applicable, those already back at their cars to offer help to the member in need.

The Thursday email, FB and WhatsApp would continue to be used for the foreseeable future, until one of the tools proves to be the absolute most effective. New members would receive the invitation link as part of the welcome message, similar to the link to RwGPS.

The board urges members to load the app to their phone and participate in the trial. If you have not downloaded the app from initial email yet you are welcome to ask any Board member at a ride for QR code.

We Have the Following Opportunities Available!

Ride with GPS savvy tech!

We're looking for a volunteer, who's willing to provide technical support, and guidance, to club members on how to use Ride with GPS, when needed.
If interested, please contact Andy Sikorski @ ajsikorski@hotmail.com.

A Word About Your Electronic Information

Your privacy is important to us. We don't share any of our membership information with anyone except the current membership. We don't sell or forward your email address to any outside organizations. The BVBC board will distribute a club membership roster to current, paid club members once during the later part of the riding season. The roster will include name, address, phone and e-mail. It will be distributed in .pdf format. We will no longer print a membership directory on paper. If you do not want your contact information to be a part of the roster, you may indicate that by marking the check box on your membership application or renewal or by sending an e-mail to [membership-info@bayviewbikeclub.org].

With very few exceptions, all e-mails you get from us will be directly related to club activities. Please don't ask us to forward any e-mails to our membership. Please don't ask us to put you in contact with specific members. We don't do those things. If you would like to share your experiences about a particular ride, feel free to do that by submitting a comment or article for the newsletter. Many bicycle event organizers ask us to forward information about their ride to our members. In order to limit the number of e-mails you get from the club, we don't forward e-mails from outside organizations. We will publish information about rides, events etc. if it is submitted to the newsletter. You may also find information about the club, club rides and other bicycling events on the club Facebook page.

Let's Be Safe Out There!
